Religious Education (RE)

Fr. Michael and Fr. Peter would love to meet with the parents of every child registering for RE this fall. They want to know how they can assist you with the education of your children and to make our program more personal. There will be information coming in the future about meeting in the evenings for about 30 minutes.

Recruiting Teachers for Religious Education

Here is your chance to perform a spiritual work of mercy. We are looking for role models who can teach for about 21 Thursday evenings during the year, from September to February (with breaks during Thanksgiving and Christmas). Will you help Jesus teach our children?

Please contact your priests, or call Valerie at 303-815-0055.

Help for Those Who are Struggling with Same-Sex Attraction or Have Fallen into the Sin of Homosexual Activity

Almost all of us know someone who is struggling. We recommend that those struggling start by reading *The Battle For Normality: A Guide For (Self-) Therapy For Homosexuality*, by Dr. Gerard Van Den Aardweg, Catholic Psychologist. This book gives insights into the causes and how someone can be healed. This is a good book for parents to read. We have seen the healings take place through faith, prayer and truth. **God is powerful!** You can find insightful articles at: <https://www.catholiceducation.org/en/search/?q=homosexuality>.
