Wisdom of *The Dialogue* of St. Catherine

Summary of Chapter 41. The recent previous chapters were primarily about hell. This chapter is loaded with so much information on the glories of heaven that it is difficult to summarize. Here are a few quotes from God the Father:

-“Forever they rejoice in love at the sight of Me, sharing in that goodness which I have in Myself and which I measure out to them according to the measure of love with which they have come to Me.”

-“They rejoice and exult with the angels, and they find their places among the saints according to the different virtues in which they excelled in the world.”

-“Their desires are a continual cry to me for the salvation of others, for they finished their lives loving their neighbors, and they did not leave that love behind but brought it with them when they passed through that gate which is My only-begotten Son.”
