## **End of Life Decisions**

Last weekend we asked you to contact your representatives, asking them to oppose House Bill 1054 and Senate Bill 25. God, creator of life, does not want physician-assisted suicide. Remember: "Thou shall not kill." Physicians are supposed to help heal people, not abuse their medical practice. Furthermore, legalized euthanasia is a slippery slope that leads to other kinds of suicides. Finally, family and friends suffer greatly whenever there is a suicide.

To protect yourself, please visit the following website: <https://www.ewtn.com/morals/end-of-life.htm>. This link will give fundamental Catholic teaching on end of life decisions. At the end of the article, you will find advance directive durable power of attorney and healthcare proxy forms; you just need to click on them and print them.

## **Quick Apologetics (Defending Your Faith)—The Papacy**

Why do Catholics believe that the Pope is Christ's representative on earth and the successor of St. Peter? In Matthew 16:18-19, Jesus says, "And so I say to you, you are Peter, and upon this rock I will build my church, and the gates of the netherworld shall not prevail against it. I will give you the keys to the kingdom of heaven. Whatever you bind on earth shall be bound in heaven; and whatever you loose on earth shall be loosed in heaven." From this we see that Jesus establishes the Church and picks Peter as the visible head with teaching authority. As a Jew, Jesus came to re-establish the Kingdom of David in a perfect way under a new

covenant. Remember that in the Davidic Kingdom, the Prime Minister had the authority of the King (see Isaiah 22:15-24). Jesus, by giving the keys to Peter, established the papacy; Francis is the 267<sup>th</sup> Pope.
