

Gems of Wisdom from the *Diary of Saint Faustina*

923. February 7, [1937]. Today, the Lord said to me, **I demand of you a perfect and whole-burnt offering; an offering of the will. No other sacrifice can compare with this one. I myself am directing your life and arranging things in such a way that you will be for Me a continual sacrifice and will always do My will. And for the accomplishment of this offering, you will unite yourself with Me on the Cross. I know what you can do. I myself will give you many orders directly, but I will delay the possibility of their being carried out and make it depend on others. But what the superiors will not manage to do, I myself will accomplish directly in your soul. And in the most hidden depths of your soul, a perfect holocaust will be carried out, not just for a while, but know, My daughter, that this offering will last until your death. But there is time, so that I the Lord will fulfill all your wishes. I delight in you as in a living host; let nothing terrify you; I am with you.**

926. February 9, [1937]. Shrove Tuesday. During the last two days of the carnival, I experienced the overwhelming flood of chastisements and sins. In one instant the Lord gave me a knowledge of the sins committed throughout the whole world during these days. I fainted from fright, and even though I know the depth of God's mercy, I was surprised that God allows humanity to exist. And the Lord gave me to know who it is that upholds the existence of mankind: it is the chosen souls. When the number of the chosen ones is complete, the world will cease to exist.

Conversation with Christ

Late have I loved you, O Beauty ever ancient, ever new, late have I loved you!

You were within me, but I was outside, and it was there that I searched for You.

In my un-loveliness I plunged into the lovely things, which You created.

You were with me, but I was not with You.

Created things kept me from You; yet if they had not been in You, they would not have been at all.

You called, You shouted, and You broke through my deafness.

You flashed, You shone, and You dispelled my blindness.

You breathed Your fragrance on me; I drew in breath and now I pant for You.

I have tasted You, now I hunger and thirst for more.

You touched me, and I burned for Your peace.
