

### Gems of Wisdom from the *Diary* of Saint Faustina

**940.** I myself suffered a great deal and was much tried in this respect. Therefore, I am writing only about what I myself have experienced. It was only after many novenas, prayers and penances that God sent me a priest who understood my soul. Oh, there would be many more saintly souls if there were more experienced and saintly confessors. Many a soul, earnestly striving for sanctity, cannot manage by itself during times of trial and abandons the road to perfection.

**941.** O Jesus, give us fervent and holy priests! Oh, how great is the dignity of the priest, but at the same time, how great is his responsibility! Much has been given you, O priest, but much will also be demanded of you....

**942.** February 11, [1937]. Today is Friday. During Mass, I suffered pain in my body: in my hands, my feet and my side. Jesus is sending me this kind of suffering that I may make reparation for sinners. The pain is brief, but very severe. I do not suffer for more than a couple of minutes, but the impression remains for a long time and is very vivid.
