Reminder: 100-Year Anniversary of the Apparitions at Fatima, Portugal

On May 13, 1917 three children were playing games in the field while tending their sheep. Suddenly they saw a flash of light. Thinking it to be lightning, the children gathered the sheep and started for home. They took refuge under a tree about a hundred yards away. They saw a flash of light again. They began running when they saw, standing over a small holmoak tree, a Lady dressed in white more brilliant than the sun.

That was the beginning of Our Blessed Mother at Fatima. She visited Lucia, Francisco, and Jacinta six times bringing them messages for the world. In all her appearances at Fatima, Our Mother repeatedly emphasized the necessity of praying the **Rosary daily**, of **wearing the Brown Scapular** of Mount Carmel and of performing **acts of reparation and sacrifice for ourselves and others**. She also asked us to do the **First Five Saturdays devotion** and to **spread the Fatima message**.
