

Great Spiritual Reading For Lent

I hope many of you order the following book: *The Power of Silence: Against the Dictatorship of Noise*. Robert Cardinal Sarah wrote the book.

Second Collections

We take second collections at StA, StB, and OLS in January-February and July-Labor Day to ensure that we will be in the black. According to our accounting spreadsheet, if we didn't take a second collection last year, we would have fallen short \$6,258. Big expenses last year: Re-seal StB parking lot: \$11,200; re-seal OLS parking lot: \$14,891. If you want a spreadsheet, the priests can give you one this weekend. Second collection money went down last year because we took a lot less 2nd collections.

Will You Commit to Praying an Extra Rosary One Day a Week during Lent for the Closure of Planned Parenthood in Granby?

Lent runs from Feb. 14 to Mar. 29. For example, if you sign up for Monday, you would pray an extra Rosary on Feb. 19 and 26, Mar. 5, 12, 19, and 26—only 6 times. Pretty easy! Please sign your initials or first name on a piece of paper this weekend so that we can see how many people are praying each day for the closure of Planned Parenthood. Also, pray for the conversion of those thinking about having an abortion and for healing for those who have had an abortion.

Join the Divine Mercy Team; Become a Warrior!

Say the Divine Mercy Chaplet during Lent for 40 days. We will pray three Masses for you. You will receive Divine Mercy postcards and images soon.

"Forgiven And Set Free" Bible Study

While our culture tells us that abortion is not a big deal, those of us who have experienced abortions know differently. Abortion is a life-altering experience.

Many people think that this closely guarded secret should be left in the past, out of sight out of mind.

However, when one member of the body suffers, the whole body suffers!

Abortion triggers a series of powerful physical, emotional, and spiritual shockwaves. All those involved with the decision want to flee from the emotional fallout of the event as quickly as possible. The "shockwaves of abortion" extend far beyond the epicenter of the procedure, like silent, invisible radioactive fallout...that over time can leave us deeply affected.

There is a saying: "Abortion scatters. Healing gathers."

For more information about the study, please contact Pat confidentially at [361-442-3532](tel:361-442-3532) or email at patpulliamjmi@gmail.com.

Incense will be used:

- Feb. 3, StB, 4 p.m.
- Feb. 10, StA, 5 p.m.
