

## Happy Fathers' Day!

### The Mass Schedule is Changed A Little This Week for Totus Tuus Vacation Bible School

See the schedule at the bottom right.

### Gems of Wisdom from the *Diary of Saint Faustina*

1061. In the evening, over the radio, I heard hymns; that is, psalms, sung by priests. I burst into tears, and all of the pain was renewed in my soul, and I wept sorrowfully, unable to find appeasement in this pain. Then I heard a voice in my soul: **Do not cry; I am not suffering any more. And for the faithfulness with which you accompanied Me in My sufferings and death, your own death will be a solemn one, and I will accompany you in that last hour. Beloved pearl of My Heart, I see your love so pure, purer than that of the angels, and all the more so because you keep fighting. For your sake I bless the world. I see your efforts to please Me, and they delight My Heart.**

After these words, I wept no more, but thanked the heavenly Father for having sent us His Son and for the work of the Redemption of mankind.

### Chastity and Homosexuality

The following is what God teaches through His Church. The paragraph numbers are listed in bold from the *Catechism of the Catholic Church*.

**2357** Homosexuality refers to relations between men or between women who experience an exclusive or predominant sexual attraction toward persons of the same sex. It has taken a great variety of forms through the centuries and in different cultures. Its psychological genesis remains largely unexplained. Basing itself on Sacred Scripture, which presents homosexual acts as acts of grave depravity, tradition has always declared that "homosexual acts are intrinsically disordered." They are contrary to the natural law. They close the sexual act to the gift of life. They do not proceed from a genuine affective and sexual complementarity. Under no circumstances can they be approved.

**2358** The number of men and women who have deep-seated homosexual tendencies is not negligible. This inclination, which is objectively disordered, constitutes for most of them a trial. They must be accepted with respect, compassion, and sensitivity. Every sign of unjust discrimination in their regard should be avoided. These persons are called to fulfill God's will in their lives and, if they are Christians, to unite to the sacrifice of the Lord's Cross the difficulties they may encounter from their condition.
