What is the Pregnancy Resource Connection?

PRC has been serving the families of Grand and Jackson Counties for well over 25 years. Their goal is to come along side women and men and listen, connect, and support in times of uncertainty and crisis. Their regular services and resources include pregnancy testing, limited ultrasounds, parenting education, breastfeeding support, reproductive loss support, and all sorts of baby supplies.

A long-time dream of PRC was to offer the services of a full-blown medical clinic. In October of last year that dream came true. Under the guidance of the new director, Tammy Gildenzoph, they contracted the services of a nurse practitioner specializing in nurse-midwifery, Chelsea Mynyk, owner of the Women's Health Clinic in Castle Rock. They now offer on the third Friday and Saturday of every month full prenatal care up until 20 weeks, full-spectrum ultrasounds, natural family planning counseling, well-woman exams, STI testing and treatment, and hormone testing and support.

Ash Wednesday

Ash Wednesday is a day of fasting and abstaining from meat. Many will culturally celebrate Valentine's Day this Wednesday instead. We are invited to be counter-cultural and go deeper than mere sentiment. Let us remind the world, and ourselves, that the purest form of love involves sacrifice. We see that most clearly in the perfect love of Jesus Christ for each one of us.
